

No.3/18/2010-RA-IV

Government of Pakistan
Cabinet Division

ADDITIONAL SECRETARY
Ph : 9207613

Islamabad, the 8th July, 2010.

Subject:- TELEPHONE COMMITTEE MEETINGS.

My dear Secretary/Addl. Secretary Incharge,

Cabinet Division deals with telephone policy which includes landline, cell phone, fax connection and DSL connection received from Ministries/Divisions/Attached Departments etc. for seeking permission/relaxation. Such type of cases are considered by the Telephone Committee comprising Additional Secretary (EC&R) Cabinet Division and Additional Secretary (Expenditure), Finance Division.

2. In order to maintain proper control, all Ministries/Divisions are required to refer their cases to the Cabinet Division for consideration by the Telephone Committee after approval of their Principal Accounting Officer but this procedure is not being observed.

3. Keeping in view the financial constraints and austerity measures announced by the Government, all Ministries/Divisions are once again informed that in future only those cases will be considered by the Telephone Committee which have the approval of the Principal Accounting Officer.

With regards.

Yours sincerely,

(SHAHID ULLAH BAIG)
